Subject: Request for Issue of Instructions/Circular to Educational Institutions inviting them all to participate in the On Ground/Virtual 'Youth First Delhi Marathon' 2026. World's Biggest Marathon for the cause of 'Mental Wellbeing of Youth'. First Ever - Being part of World Record

Dear Madam,

Greetings from the Global Center for Social Dynamic Research!

INVITING PARTICIPATION

We are excited to welcome on ground/virtual official participation of school children in the 'Youth First Delhi Marathon 2026', the World's Biggest Marathon being held at Jawaharlal Nehru Stadium on 20th September 2026 for the cause of 'Mental Wellbeing of Youth'. This is the first ever Marathon to be held for this noble cause.

For the schools located at far off places and cities outside Delhi which may not be able to participate on ground at Delhi, we are pleased to seek participation also through a virtual run mode, enabling students to participate from their own Schools and Cities from all corners of the Country, and while contributing equally to this historic movement, and to be part of the world record.

Therefore, we are warmly inviting School Education, Youth and Sports Department of all States of the Country, to become part of the World Record Listing, as this run perfectly aims to fulfil our motto that is 'When Youth Smiles, So Smiles the World'. It really derives a larger meaning for us all worldwide.

OUR JOURNEY: BACKGROUND

Here, we may also share about our past journey of having worked for the wellbeing of youth through our internationally acclaimed research done in the year 2024. Our Research Paper titled 'Mental Health of Adolescents and Youth in India: A Critical Analysis in the Era of AI' has been viewed 9042 times (SSRN Updated Report) by the Research Scholars throughout the world. This Research Paper had ranked earlier in the Top 10 Research Papers List of Social Science Research Network (SSRN), world over records for two months. Dr. Neelam C Dey, the Executive Director and Director Research, GCSDR holds World Ranking at 21893 out of 2795499 Social Scientists/Researchers listed worldwide.

Exec. Director, GCSDR heads the Global Journal of Social Scientific Research as the Editor in Chief, apart from being Member of IQAC, Managing Committee, Indira Gandhi Delhi Technical University for Women, Government of Delhi/Elected Member of American Physiological Association, and Associate Editor of Psychology and Behavioral Sciences Journal, Science PG, New York.

Through these mega events as like organizing the World's Biggest Marathon, and attempting to make a world record, we are trying to amplify awareness and initiate collective action for the mental wellbeing and empowerment of youth. A good number of dignitaries and distinguished national and international guests such as Central and State Government Ministers, MPs, Governors, Diplomats and Bureaucrats are expected to grace this event. Likewise, flagging off of the Runs by Dignitaries as Hon'ble Governor, CM, Dy. CM, Ministers, Secretaries of State Government Departments etc. would certainly send a strong message to the communities of all ages, to strengthen this cause and make this campaign more meaningful and a lasting one.

OUR OFFICIAL PARTNERS: NATIONAL AND INTERNATIONAL

We would also gladly share that the FIT INDIA, the Official Body of Ministry of Youth Affairs and Sports, Government of India, and South Asian University established by SAARC Nations; as also 92.7 BIG FM (Promos already are On Air for 3 months) is fully supporting this initiative. All above are our official partners. Prasara Bharti (DD/Radio Channels) will also promote this event and do the live coverage of the event.

We are equally glad to share that Dr. Satyapal Singh, Recipient of Padma Shri and a Dronacharya Awardee is also promoting this event. Dr. Sunita Godara, the Asian Marathon Gold Bronze Medalist (1992)/(1998), who had won 25 Golds, 12 Silvers and 13 Bronze Medals and holds 130000 kms training to her credit and had participated in more than 200 international runs has also associated with us to promote this noble cause.

EXPECTED PARTICIPANTS: ON GROUND & ON GROUND/VIRTUAL

The Youth First Delhi Half Marathon 2026 is envisioned as a truly global movement for youth mental wellbeing, bringing together participants from across India, SAARC Nations and few other parts of the world through On-Ground /virtual Run Mode.

We are expecting large participation of schools, colleges and universities from majority of the states, representing diverse regions, communities, and cultures, to support and advocate for the Mental Wellbeing of Youth.

In addition to the above, the event is expected to attract 30,000+ runners, including students, teachers, parents, educational leaders, professionals, corporate teams, healthcare workers, NGOs, and community members, making Youth First Delhi Half Marathon 2026 one of the largest youth-led and purpose-driven Marathons in the world. Run of 10 k, 5 K and 3 K (fun run) will also be part of this upcoming event.

This massive participation will not only create a powerful collective voice for Mental Wellbeing of Youth, but also contribute towards a historic attempt for recognition for making a World Record, reinforcing our shared mission: "When Youth Smiles, So Smiles the World." We are expecting that the figures of on ground/virtual runners would go in lakhs from across the Country. We will connect the runs live at JLN Stadium, New Delhi through LCD Panels as the purpose is to connect students and youth from all corners of the Country with this mission. Purpose is also to make students and youth run for themselves, for their own cause.

DETAILS OF THE ON GROUND/VIRTUAL RUN FOR THE SCHOOL

Following format will apply:

Events include: 50m, 100m and 200m Run that is open to boys and girls both. Maximum participation and

diversity across all age groups needs to be ensured.

On the official event day, i.e. 20th September 2026, aligned with the Youth First Delhi Half Marathon 2026 at Jawaharlal Nehru Stadium, with designated live broadcast slots enabling schools to join the national celebration on ground/virtual, or on the any day(s) during the school working hours, as per convenience of the school, within one week before or within one week after the event. The selected date(s) requires to be communicated to the Organizing Committee, well in advance, for official registration, recognition, and inclusion as part of the official Youth First On ground/virtual Run.

This format ensures that schools from across India and abroad can participate seamlessly while becoming an integral part of this historic global movement for 'Mental Wellbeing of Youth'.
